

Becerril Jose

Mexique, Queretaro

Una tarde en Plaza de Armas o un paseo con Don Porfirio (Tlazo 9)

A propos de l'artiste

He studied piano in Mexico City at Escuela Nacional de Música, and later Electronic Engineering at Universidad La Salle. He was a pupil of Eva del Carmen Medina Amezcua and lessons with Carlos Vazquez, he has composed music for Chamber Orchestra, Choir, Arias, Piano, String Quartet, Trio, Duet. Zazanilia is a nahuatl word that means to tell nice stories, to tell fables, to enjoy the moment. There is no need to define a new Musical form for this movement, but yet, by using known styles let's make the content by different meanings, to describe a place, a puppet, a moment, an art work, anything that make us enjoy that special moment, despite, the nature of musical perception itself remains imperfectly understood.
