Rép. Démocratique du Congo, Raleigh

Quand je me dis

A propos de l'artiste

Maurice Mondengo, ThM est l'un des chanteurs des chorales liturgiques et communautaires du Congo-Kinshasa qui écrit la musique comme son esprit le conduit. Il chante depuis le 23 décembre 1971 et conduit les chœurs amateurs depuis 1984.

Maurice adore chanter et faire chanter celles et ceux qui aiment apprendre le style Africain du chant. Le temps de la nativité et ses belles mélodies ont une place de choix dans sa vie. Si le don et l'amour de la musique l'ont toujours amené à écrire quelques opus (Liturgiques), il est aussi vrai que les questions de paix entre les humains et celles de justice dans le monde aujourd'hui ne le laissent jamais indifférent; elles ressortent souvent en filigrane de ses compositions. Son principal instrument de musique est la voix.

When sometimes I say in my heart O Lord I am lost;
 When I say my strength, my hopes have perished from the Lord God.
 When my soul still remember even when it sinks with in me,
 This I will recall to my mind: Lord's compassions never fail.

Refrain:

Teach me how to be as one who still counts on you;
 Remind me o Lord to put my trust in you;
 Even though in days of sorrow, your compassions never fail.
 This I will recall to my mind: your compassions never fail.

When I'm feeling strong and think I know what to do
 when I want to do things my way and I've stopped
 listening to you
 When my heart seems to harden will you still reach for me?
 Even when I'm turning from you, your compassions never fail.
