## LIGHTNING BLOW

Lyric and music

Germain Frederic Santarelli

A/ I shall never ever forget  
what I saw in the bright reflect  
of your very pretty green eyes,

A'/ the big and mysterious feeling  
Connected with your shining  
loosing control of my thinkings

B/ it was not possible, for me to know  
What was happening

C/ I already knew that the feeling  
I had for you was so genuine  
and so rare for, any lover  
because Cupido is not knocking  
on the door, every morning

D/ Despite the fire of desire,  
I must go far away from you  
with my pain and my frustrations  
I can't get rid of your image

E/ with the eternal, sensation  
of my burning passion
