A propos de l'artiste

I'm a, now retired, ex-music teacher in music high school, but still in activity like a choir director, singer, pianist accompanist, arranger and, at times a few, composer too. Very involved in what's all about vocal music, whatever the styles, especially when it's polyphonic or choral works because I think music allows to mix people together with an aim of beauty to perform.

Listen to the lambs all a-crying.
Listen to the lambs all a-crying
Listen to the lambs all a-crying
I want to go to heaven when I die.

1/ Mean out, brother, how you walk on the cross,
I want to go to heaven when I die.
Your foot may slip and your soul should get lost,
I want to go to heaven when I die.

2/ Come on, sister, with your ups and down
I want to go to heaven when I die.
The angels wait for to give you a crown,
I want to go to heaven when I die.
