Tender Heart

Sonata on a Theme of M. Suzuki

The original “Tender Heart” was a piece selected by Bhannavichaya from Yamaha Piano Lesson Book 4. According to the title, he re-composed it for a Bassoon because the sounding matched the title and it was quite a long time he did not compose any pieces for winds.

Advanced Classical Sonata form such as Schubert’s Wanderer Fantasy is very admired by Bhannavichaya as well as this piece. However, it does not mean that this form could not be managed within a short period. Also, the composer pays respect to M. Suzuki and Yamaha Company whom owned the original piece. So, he presents the opening of the piece as close as what appears on the book as possible.
