## E-minor melody

### A propos de l'artiste

Dear Fellow Musician!

My name is Judit, and I live in Hungary, Europe.

As I am only a hobby composer, most of my pieces are for children and beginners, but I share them with love, so:

If you're a professional, use them to warm up your fingers before playing virtuous pieces,

if you're a beginner, use them to make the first small steps towards becoming a skilled piano player,

if you're a piano teacher, let them help you to share your knowledge with others, but most importantly, enjoy them!

And if you happen to be another composer of free-scores, I thank you for sharing your music with me, whether I can play it or just listen to it in awe ;)

Love,  
Judit

P.S.: Sometimes I don't log in here for months, so I apologize in advance for not answering your letters in time, but one common question I can answer here:

If you or your children want to play any of pieces for a music school recital or a youtube ... (la suite en ligne)
