Opéra n°1 : La quête de Falta Ouverture (Opus 8)

A propos de l'artiste

Hello,

Welcome on my profile. I am a composer and a passionate person of classical music. I learnt the music the music theory, the piano, the flute and the guitar.

Since the age of 12 years, I learn(teach) by the practice and by the composition and I hope one day I can manage one of my works. It is an expensive dream for me but also can be utopian because I have no diploma, or qualification.

The themes of my first put down(deposited) partitions(scores) were written when I was 14 years old, the others followed and were found via the listening of classic pieces (W.A.Mozart and Beethoven " my referents " for the style) and the practice of the piano and the flute.

My style builds itself even if my current work is above all to orchestrate all these themes and to make them fit to be seen via MAO (magix notation).

I propose paying partitions(scores) on another site recently - on the advice(councils) of one member(limb) of free-score-to be able t... (la suite en ligne)
